CreativePro Week: The “How To” Conferences for Design, Production, and Publishing

June 10–14, 2019
Westin Downtown Seattle

CreativePro Week 2019 will be located at the Westin Downtown Seattle Hotel, just steps away from the Pike Place Market, Seattle Space Needle, and the Amazon.com Spheres. Join world-renowned industry experts including Russell Viers, David Blatner, Anne-Marie Concepción, Mike Rankin, Keith Gilbert, Erica Gamet, and many more!

CreativePro Week is for every creative professional who designs, creates, or edits in Adobe InDesign, Photoshop, Illustrator, PowerPoint, or Keynote.
CreativePro Week features top experts and trainers in the field of layout, image editing, illustration, retouching, design, production, and publishing. We produce the world’s most effective “how-to” conferences for creative professionals, and our speakers are the heart and soul of our events.

Adobe and other industry developers recognize the value of seeing so many thought-leaders in the same place, and each year send product managers and engineers to meet and interact with our audience. Our community of publishers, designers, and developers makes a unique opportunity for attendees, sponsors, and speakers alike to learn, connect, and be inspired.
It’s About You

Our attendees are designers, illustrators, production artists, photographers, artists, and publishers interested in keeping up with best practices and the newest innovations in publishing workflows.

If you want to master the tools of the design and publishing trade and learn new, advanced skills that will keep you at the forefront of our field, then CreativePro Week is your home.

It’s About the Content  Whether you make short interactive documents or print publications thousands of pages long, this event will teach you how to work with InDesign, Photoshop, and Illustrator smarter and faster.

It’s About the Community  You’ll learn a ton from the presenters on stage, and even more in one-on-one conversations with the speakers and your colleagues. These events bring you together with others who face the same challenges every day.

Our audience spans a wide spectrum of experience. Attendees at previous events have come from companies large and small, including Apple, Costco, Microsoft, New England Journal of Medicine, Nike Apparel, Pfizer, Valpak, and Walmart.
