CreativeProWeek.com
CreativePro Week is the world’s best “how-to” event for creative professionals who design, create, or edit in Adobe InDesign, Photoshop, Illustrator, Microsoft PowerPoint, and other creative tools.

Whether you work in print or digital publishing, you’ll learn techniques and best practices you can take home and start using immediately to improve your productivity.

CreativePro Week 2019 brings together four great conferences in one location:

» **Ps/Ai**: The Photoshop + Illustrator Conference for Designers

» **The InDesign Conference**: The Essential Event for InDesign Professionals

» **PePcon**: Bridging Print and Digital Publishing

» **Click**: The Presentation Design Conference

“I’m expected to help our designers make magic... CreativePro Week is where I learn all the tricks!”

—Craig Simpson, Graphic Artist, Kalamazoo College
From live events to online tutorials and communities, CreativePro Network (CPN) features the world’s top experts in layout, illustration, retouching, UI/UX, production, presentation design, and publishing. CPN publishes the highest quality educational resources for Adobe InDesign professionals—InDesignSecrets.com and InDesign Magazine, as well as one of the web’s foremost portals for design tutorials: CreativePro.com.

Since 2003, CPN events have provided essential training and inspiration to thousands of graphic designers, publishers, and production artists from around the world. Our philosophy — Learn, Create, Share — drives us to provide year-round, full-circle learning to support creativity and career.

David Blatner and Anne-Marie Concepción have been graphics and publishing consultants and educators since 1988, and are the authors of 40+ books and video titles. Always on the forefront of design technology, they have taught tens of thousands of creative pros from around the world.
June 10–13

Join the world’s top InDesign experts and members of the Adobe InDesign team, June 10–13 in Seattle, for the InDesign event of the year. 2019 marks the 20th anniversary of Adobe InDesign, and the 15th anniversary of InDesign Magazine and The InDesign Conference.

The InDesign Conference offers over 30 sessions and four half-day tutorials on topics such as tables, interactive documents, mastering styles, data publishing, and automation. This year, sessions include:

» Creating Accessible PDFs
» Using InDesign with Photoshop and Illustrator
» Understanding Master Pages and Primary Text Frames
» Advanced Styles: Nested, Line, and GREP Styles

Bridging Print and Digital Publishing

June 12–13

This event is for every designer and publisher with one foot in print and the other foot in digital publishing. Join us for the 10th annual PePcon—the industry’s best "how-to" event for bridging the print/digital divide.

PePcon brings together over 20 leading experts in publishing who use tools from Adobe, Apple, Amazon, the open source community, and more. This conference is two days of non-stop inspiration and education on topics including cloud workflows, PDF comment and review, font management, ebook design, prepress, when print is better than digital, and single-source publishing. This year, sessions include:

» Editorial Design Across Print and Digital
» Hidden Features in Adobe Acrobat
» The Digital Print Convergence
» Typographic Design for eDocuments
» Let’s Keep it Legal: What Designers and Publishers Need to Know

Speakers include:

Dian Holton  Guy Vander Kolk  Doris Brown-McNally  Thomas Phinney  Laura Worthington  Gary Marshall  Laura Worthington

“I find that the CreativePro conferences are the best way to stay on top of the ever changing world of graphics technology.”

—Mary Ann Walsh, Graphic Designer, Air Line Pilots Association
Click: The Presentation Design Conference is a two-day event focusing on “how to” use PowerPoint, Keynote, or Google Slides to build engaging, informative, and persuasive presentations; techniques for creating beautiful charts and infographics; building animated, interactive presos; why presentations are different from traditional design… and how to take advantage of those differences.

Sessions include:

» Just Say No: Five Alternatives to Bullets
» Designing Drool-Worthy Presentations
» Visualizing Data
» The Power of a Great Template
» Beautiful Type for Presentation Design

Speakers include:

Mark Heaps  Jole Simmons  Darlene Shelton  Nolan Hains  Richard Goring  Bianca Woods  Julie Terberg
