Creative Pro Week

June 1–5, 2020
AN ONLINE EVENT

CreativeProWeek.com
CreativePro Week is the world’s best HOW-TO event for creative professionals who design, create, or edit in Adobe InDesign, Photoshop, Illustrator, Acrobat, and Microsoft PowerPoint, and other creative tools.

No matter your skill level, you’ll learn techniques and best practices you can start using immediately to improve your productivity.

CreativePro Week 2020 brings together four great conferences in one, online event:

» **Ps/Ai:** The Photoshop + Illustrator Conference for Designers
» **The InDesign Conference:** The Essential Event for InDesign Professionals
» **PePcon:** Bridging Print and Digital Publishing
» **Click:** The Presentation Design Conference

"I’m expected to help our designers make magic... CreativePro Week is where I learn all the tricks!"

—Craig Simpson, Graphic Artist, Kalamazoo College

Featuring over **40 expert speakers** and **80 sessions and tutorials**, CreativePro Week offers five days of in-depth training and inspiration, all in one place. If you can sign up for only one event in 2020, it should be CreativePro Week.
From live events to online tutorials and communities, CreativePro Network (CPN) features the world’s top experts in layout, illustration, retouching, UI/UX, production, presentation design, and publishing. CPN publishes the highest quality educational resources for Adobe InDesign professionals—InDesignSecrets.com and InDesign Magazine, as well as one of the web’s foremost portals for design tutorials: CreativePro.com.

Since 2003, CPN events have provided essential training and inspiration to thousands of graphic designers, publishers, and production artists from around the world. Our philosophy — Learn, Create, Share — drives us to provide year-round, full-circle learning to support creativity and career.

David Blatner and Anne-Marie Concepción have been graphics and publishing consultants and educators since 1988, and are the authors of 40+ books and video titles. Always on the forefront of design technology, they have taught tens of thousands of creative pros from around the world.
The Essential Event for InDesign Professionals

Join the world’s top InDesign experts and members of the Adobe InDesign team this coming June 1–4 for the InDesign event of the year! Now in its 16th year, The InDesign Conference offers 30+ sessions and four half-day tutorials on topics such as tables, interactive documents, mastering styles, data publishing, RGB vs CMYK, and automation.

Sessions include:

- Creating Accessible PDFs
- Using InDesign with Photoshop and Illustrator
- Mastering InDesign’s Productivity Features
- Advanced Styles: Nested, Line, and GREP Styles
- Designing Forms in InDesign and Acrobat
- Mastering the RGB to CMYK Workflow
- Working Smarter with Long Documents
- InDesign to HTML

“...I really enjoyed being able to attend 4 days worth of InDesign classes. I was able to come back to work and immediately implement what I learned.”

—Will Ballard, Design and Development Coordinator, Arkansas Blue Cross and Blue Shield

Speakers include:

David Blatner
Laurie Ruhlin
Chad Chelius
Anne-Marie Concepción
Nigel French
Erica Gamet
Keith Gilbert
Ps/Ai is the must-attend event for anyone that regularly uses Adobe Photoshop and Illustrator. Learn the top techniques from 14+ experts in this three-day, in-depth master class covering everything from logo design to selections and masking, social media to building UI/UX/web elements.

This year’s sessions include:

» Pattern Design for Textile and Other Applications
» Infographics and Illustrator
» Retouching Images
» The Art and Science of Making Selections
» Creating Animations for Email and Social Media

Speakers include:

Lisa Carney  Dave Cross  Von Glitschka  Laura Coyle  Tony Harmer  Robin Schneider  Chris Converse  Jesús Ramirez

“The perfect conference for designers and illustrators! It focuses on image-making techniques instead of camera equipment and photography. Designers have needed this kind of conference for a long time.”

— Luanne Seymour, Senior Creative Director, Adobe

Bridging Print and Digital Publishing

This event is for every designer and publisher with one foot in print and the other foot in digital publishing. Join us for the industry’s best HOW-TO event for bridging the print/digital divide.

PePcon brings together over 20 leading experts in publishing who use tools from Adobe, Apple, Amazon, the open source community, and more. This conference is two days of non-stop inspiration and education on topics including cloud workflows, PDF comment and review, font management, ebook design, prepress, when print is better than digital, and single-source publishing. This year’s sessions include:

» PDF Commenting with InDesign + Acrobat
» Acrobat and PDF Power Techniques
» Digital Documents: What’s Possible
» Affinity: New Kid on the Block
» Building Rich PDF Forms with InDesign and Acrobat

Speakers include:

Kelly Vaughan
Mike Rankin
Leonard Rosenthal
Mike Parkinson
Richard Turner-Jones

“I find that the CreativePro conferences are the best way to stay on top of the ever changing world of graphics technology.”

— Mary Ann Walsh, Graphic Designer, Air Line Pilots Association
Click: The Presentation Design Conference is a two-day event focusing on "how to" use PowerPoint, Keynote, or Google Slides to build engaging, informative, and persuasive presentations; techniques for creating beautiful charts and infographics; building animated, interactive presos; why presentations are different from traditional design… and how to take advantage of those differences.

Sessions include:

» Just Say No: Alternatives to Boring Slides
» Building PowerPoint Templates for Your Team and Clients
» Visualizing Data
» Amazing PowerPoint Features that will Leave You Speechless
» Make Effective Infographics Fast

Speakers include:

Mark Heaps  Jole Simmons  Julie Terberg  Nolan Hains  Richard Goring  Mike Parkinson  Bart Van de Wiele

“I loved Click! I have been doing a disservice to my presentations... I learned so much.”
—Christy O'Neal, Art Director, Baton Rouge Area Chamber
